## **EU-facilitated Dialogue: Federica Mogherini held a meeting with Presidents Vučić and Thaçi**

Federica Mogherini, High Representative for Foreign Affairs and Security Policy/Vice-President of the European Commission, met on Friday 23 March with Presidents Aleksandar Vučić of Serbia and Hashim Thaçi of Kosovo.

They discussed further, within the framework of the new phase of the EU-facilitated Dialogue between Belgrade and Pristina, the preparations of a comprehensive agreement on normalisation of relations. They reviewed progress made in the implementation of the past agreements, in light of recent working sessions held in Brussels.

The High Representative underlined the importance the EU attaches to the full implementation of all existing agreements and stressed in particular the urgent need to start with the establishment of the Association/Community of Serb majority municipalities, the Energy Agreement and proceed with the completion of the Mitrovica Bridge.

The High Representative welcomed the continued commitment by both Presidents to the normalisation of relations between Kosovo and Serbia and recalled that progress by both on their EU integration agendas is firmly linked to progress in the Dialogue.
